Open Text® Exceed® 14
Securely and efficiently connect with the most effective and popular PC X server

Open Text® Exceed® is the most secure and popular PC X server in the market. It allows users to cost-effectively connect powerful Microsoft® Windows® desktops to a wide variety of X Window-enabled servers and access high-end X applications.

Business benefit: unsurpassed versatility
Exceed is renowned for its performance, stability, and user-friendliness. Integrated with a powerful terminal emulation package—Open Text HostExplorer®, and the optional security suite—Open Text Secure Shell™, Exceed is the most versatile enterprise connectivity software available.
## System requirements

- **Hard drive space for typical installation:** 100 MB
- **Minimum CPU requirements:** Pentium 4

### Certification
- Compatible with Windows 7
